REPLY TO: Steve Dobrott, Team Leader
ATTN OF:
SUBJECT: Pronghorn Study Team Report
TO: Pronghorn Team Members

I wish to thank the members of the Pronghorn Study Team for contributing to the formulation of the final report.

I apologize for the fact that the team was unable to review the final version of the report prior to being submitted to the Director.

I hope the report accurately presents the information compiled by the team and reflects the concerns of the team members and the entities they represent in an objective manner.

I greatly appreciate the time and effort each member spent in the study, and look forward to working with you again in the future.

Sincerely,

Steve J. Dobrott
